

GHS Advanced Workshop @ NDAR, Antibes, 22-24 August 2017

Dear all,

A 3-day GHS Advanced Workshop will be held in our offices on 22-24 August 2017

The instructor is Stéphane DARDEL, Naval Architect. The course will be held in English. French and Italian will be supported.

The materials covered include:

- ✓ **Probabilistic** stability with the DAMSTAB2 wizard
- ✓ Advanced run files and library files including:
  - Macros
  - User and System variables
  - Custom tables and graphs
  - TEMPLATE command

Course fees are 750€ / day, lunch will be provided. Advance payment of the fee is required to confirm registration. A minimum of 2 registered attendees is requested to maintain the course.

**10% DISCOUNT FOR EARLY BIRD REGISTRATION**

Register **before 22 July 2017** and benefit of a 10% discount on the course fees.

A GHS license will be provided during the course free of charge, and participants should bring their laptops (any modern laptop or netbook will run GHS comfortably in the context of the training course).

Advance payment of the fee is required to confirm registration.

Registration will be accepted on a first come first served basis, places are limited.

For more information or logistics questions, please contact [ndar@ndar.com](mailto:ndar@ndar.com).

Looking forward to seeing you at the course,

Stéphane DARDEL
