

GHS Advanced Workshop 1 @ NDAR, Antibes, 7-9 February 2017

Dear all,

A 3-day GHS Workshop course will be held in our offices on 7-9 February 2017

The instructor is Stéphane DARDEL, Naval Architect. The course will be held in English. French and Italian will be supported.

The materials covered include:

- ✓ PMX
- ✓ Read / Append
- ✓ WIND & HMMT
- ✓ LS
- ✓ Multi-body
- ✓ Roll-on/ Roll-off
- ✓ STABILITY
- ✓ MODU & AXIS
- ✓ Advanced Macros & variables
- ✓ Custom tables and graphs
- ✓ Render
- ✓ TEMPLATE & Wizard

Course fees are 750€ / day, lunch will be provided. Advance payment of the fee is required to confirm registration. A minimum of 2 registered attendees is requested to maintain the course.

10% DISCOUNT FOR EARLY BIRD REGISTRATION

Register **before 5 January 2017** and benefit of a 10% discount on the course fees.

A GHS license will be provided during the course free of charge, and participants should bring their laptops (any modern laptop or netbook will run GHS comfortably in the context of the training course). Advance payment of the fee is required to confirm registration. Registration will be accepted on a first come first served basis, places are limited.

For more information or logistics questions, please contact ndar@ndar.com.

Looking forward to seeing you at the course,

Stéphane DARDEL
