# *Rhino3D Interior & Furniture modelling @ NDAR, Antibes, 12-14 December 2016*

A 3-day Rhino3D Interior & Furniture Modelling course will be held in our offices on 12-14 December 2016.

Instructor is Vanessa STEEG of McNeel Europe. The course will be held in English, and other languages will be supported (French, Spanish).

The course is intended for for architects, interior designers, boat designers, furniture designers and amateurs in the field.
Syllabus covers:
   o Rhino v5 basics & user interface
   o Creating Basic Geometry
   o Editing Geometry
   o Organic modeling (surface creation & control point editing)
   o Practical cases: creating furniture pieces
   o Advanced tools: tips & tricks
   o Setting up an interior space
   o Handling camera angles and views
   o Lighting basics
   o Rendering basics

Course fees are 650€ / day, lunch will be provided. Advance payment of the fee is required to confirm registration.
A minimum of 2 registered attendees is requested to maintain the course.

Participants should have Rhino3D v5 (latest service pack) installed on their laptops. A temporary Rhino3d license may be lent for the time of the training.

Registration will be accepted on a first come first served basis, places are limited.

For more information or logistics questions, please contact ndar@ndar.com.

Looking forward to seeing you at the course,

Stéphane DARDEL
